

Technical Information

Gloss Baryta

Product Description

320 gsm, 100% alpha-cellulose, white, glossy

A true Baryta paper which has been refined for the requirements of the Fine Art inkjet print. Its multi-layer coating makes for a particularly smooth and glossy surface.

Key Features

- Baryta based inkjet media
- Wide tonal range and deep blacks
- Instant dry
- Water-resistant
- Compatible with dye and pigment inks
- Excellent archival qualities
(Acid free, buffered to protect against environmental influence)
